CATERING

Whether you're dreaming of a woodland banquet or a relaxed evening of canapés and bowl food, we're here to help you find the perfect catering to suit your day. We work with a trusted selection of caterers, each offering a unique style and consistently excellent food. Through your planning process, Julia will guide you with tailored recommendations based on the vision you have for your wedding, ensuring your menu reflects the tone and spirit of your celebration. Of course you can always bring your own caterer, but we recommend a conversation with Julia as your first port of call.

THE GRANGE WINE

We produce a family of wines from our soft, chalky landscape that are made in our winery which is just 75 metres away from our vineyard, allowing grapes to be harvested at their perfect ripeness.

England is quickly becoming the most exciting area in the world for making sparkling wine, with renowned champagne growers establishing their own projects here too. Our award-winning wines have long been the connoisseur's choice but have also recently won Country Life Magazine's best English Sparkling Wine award.

Included in a wedding at The Grange, couples will enjoy a private winery tour with a guided tasting of all our wines - perfect for selecting the ideal tittle to complement your celebration.

SUPPLIERS

PEOPLE WE LOVE TO WORK WITH

At The Grange Hampshire, we don't have 'suppliers', we have hand-picked partners who are as passionate about making your day as fabulous as we are. They all offer something different and go above and beyond in everything they do. We know they're great to work with and we're confident you'll love working with them too.

"The Grange team become your best friends as you plan your wedding day. They listen, advise, celebrate, laugh, organise and ultimately deliver a day way beyond expectations. To say we are grateful is an understatement. We will treasure their friendship and memories forever."

- Georgie & Frankie

"Abbotstone was the perfect setting for the classic, elegant but relaxed, romantic English country garden feel we wanted. You are a fantastic team that genuinely wanted us to have our best possible wedding in our own style, and for that we are truly grateful. The day was more memorable and amazing than we could have ever imagined."

- Alison & Tim

"We loved working with each and every one of you, and the day was truly enhanced by the warmth, hard work, and accommodation we received from you all during the whole process. We very much hope this is an au revoir rather than adieu." - Will & Josh

"We don't have the words to express how thankful we are to you for everything you did to make our day so incredibly special. You made us feel at ease and the organisation was unmatched. Thank you for being there for us. We could not have done the day without you. You truly are the best of the best."

- Charlotte & Matt

"Your attention to detail was amazing, you left no stone unturned. From the moment we arrived and set foot on The Grange turf, the whole evening was perfection. A massive thank you to the whole team at the might Grange!" - Rose & Kit

"It was so reassuring to know that you were there to help figure out the best way to avoid the rain, make a grand entrance into the house, move guests to the right place at the right time and generally just keep everything going to fabulously. We are so grateful."

- Flo & Marcus

HOW DO I BOOK A SHOWAROUND

Before you come to visit, we like to have a chat on the phone first to understand what you are looking for and tailor your visit accordingly. We are flexible about the timing of this call – and that includes evenings or weekends.

CAN YOU RECOMMEND SUPPLIERS

We have great relationships with numerous different suppliers so let us know what you're looking for and we can point you in the right direction.

HOW DO MY GUESTS GET A TAXI AT THE END OF THE NIGHT

Guests must pre-book their own taxis as they won't be able to get one on the night. We can give you details of local taxi companies.

DO YOU HAVE AN ALCOHOL LICENSE

Yes, our licence for selling alcohol runs until 11pm at The Grange. So if you are using an outside bar company and wish to sell alcohol beyond this time, they will need to apply for a TENs licence. However if you are not asking your guests to purchase drinks, you don't need an alcohol licence. Sadly our other venues do not have a licence.

HOW DO WE PAY FOR OUR WEDDING

On confirmation of your date, we will issue a contract for you to sign and return to us. At that point a 50% deposit is required. The balance – with any breakage deposits, is due 3 months before the wedding.

WHAT AMENITIES DO YOU PROVIDE

We supply a posh portable loo trailer for your event. We supply a unit which will accommodate up to 170 guests. We do not provide an accessible loo, but can arrange one for an additional fee (subject to availability). We will provide a skip for your rubbish, where it will be hand sorted by our supplier and recycled where appropriate.

CAN BUSES GET TO THE GRANGE

Yes, but they must use the Festival Drive (private drive) to access the house.. They cannot use any other entrance. Double decker buses are unable to access the site.

DO YOU CHARGE CORKAGE

No, we don't.

WHEN DO I GET ACCESS AND ARE THERE CHECK OUT TIMES

We want your wedding to feel as relaxed as possible so we do not have check in or check out times. On the day before your wedding we will work with your suppliers to open and close the venue in order that they can get done what they need to do. The same applies the day after your wedding for take down.

HOW OFTEN CAN WE CONTACT YOU

You can get in touch with us anytime with any questions you have – by phone, text or email. We will schedule regular check-in zooms over the planning process to ensure everyone is up to speed with the plans and we will have a final zoom two weeks before your wedding.

IS THERE ON-SITE PARKING

Yes. All of our venues have on-site parking for your guests. Cars may be left overnight but at the owners own risk.

ARE WE ALLOWED CANDLES INSIDE THE GRANGE

Sadly not as The Grange is a heritage grade I listed scheduled monument. But, LED candles are now very realistic and work really well.

IS THERE A CUT OFF TIME FOR THE WEDDING

It's usually midnight, but this is very dependent on when you get married. We will work with you to create a running order that feels appropriate. However, if you want to extend the end time of your wedding beyond midnight, there will be a late-night charge.

HOW OFTEN CAN WE VISIT THE VENUE

In theory as much as you like! But it's always best to make an appointment first to ensure we don't have another event taking place.

CAN YOU TELL ME HOW MUCH ALCOHOL I NEED TO ORDER

The rule of thumb for alcohol is ½ a bottle of fizz and ½ a bottle of wine per person - plus extra for the toasts. There are 20 shots in a bottle of vodka/gin and 6 glasses per bottle of wine.

DO YOU ALLOW DOGS

Yes we do, but do bear in mind someone will need to supervise them throughout your day as our grounds aren't fenced.
